## Introduction

The Cleanevent Group provides cleaning and waste management services throughout the world.

## OH&S Policy

This Policy is a statement of Cleanevent's commitment to provide safe and healthy workplaces for our employees, and others who may be affected by our work, with the objective of preventing work related injuries and illnesses. Managers & Supervisors have the responsibility for implementing this Policy as an integral part of their accountabilities; they may delegate their OH&S duties and activities, but not their responsibilities.

Cleanevent is also committed to protecting our employees by complying with OH&S legislation, demonstrating due diligence and the application of industry based OH&S procedures. For all people who may be affected by our work, safety will always take precedence over job expediency.

Our other key objectives with this policy are:

- **To maintain compliance with state OHS Legislation & Regulations and related legislation as well as approved codes of practice**
- **Implementing proactive Health & Safety management strategies**
- **Integrating OHS Management into our projects at the planning stage**
- **Controlling Hazards by the Occupational Risk Management process of Hazard Identification , Risk Assessment and Risk Control**
- **Monitoring and reviewing risk controls to ensure they remain effective**
- **Involving our employees in the decision making process through structured communication, consultation and training**
- **Providing ongoing education and learning for our employees to enable them to work in the safest way possible.**
- **Implementing continuous improvement strategies, and**
- **Providing effective injury management and rehabilitation strategies.**
